#### EXHIBIT A

July 9, 2018

Hon. Davron Moreau, President  
Police Jury of the Parish of Rapides,  
State of Louisiana

Re: \$400,000 of Public Improvement Sales Tax Bonds of the  
Parish of Rapides, State of Louisiana

Dear Davron:

The purpose of this engagement letter is to set forth certain matters concerning the role we will serve and the legal services we will provide as bond counsel to the Parish of Rapides, State of Louisiana (the "Issuer") in connection with the issuance of the captioned bonds (the "Bonds"). We understand that the Bonds will be issued for the purpose described in the resolution adopted by the Police Jury of the Parish of Rapides, State of Louisiana (the "Governing Authority"), acting as the governing authority of the Issuer, on July 9, 2018.

As bond counsel, we will prepare and submit to the Governing Authority for adoption all of the legal proceedings required for the authorization, issuance, sale and delivery of the Bonds and provide advice of a traditional legal nature as to the issuance and sale of the Bonds. Our job is principally to render certain opinions to the Issuer regarding (i) the validity of the Bonds under applicable Louisiana law, (ii) the exemption of interest paid on the bonds from federal and/or state taxes, and (iii) other matters as may be applicable. The bond opinion will be based on facts and law existing as of its date. In rendering such opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to our firm without undertaking to verify the same by independent investigation, and we will assume continuing compliance by the Issuer with applicable laws and other resolutions relating to the Bonds. During the course of this engagement, we will rely upon the staff of the Issuer and the members of the Governing Authority to provide us with complete and timely information on all developments pertaining to any aspect of the Bonds.

In our engagement as bond counsel, we will:

Confer with members of the working group, including you and other officials of the Issuer, relating to the Project and review legal issues relating to the structure of the Bond issue;

Prepare the Issuing Bond Resolution and all related financing documents (collectively, the "Bond Documents");

As requested, attend meetings of the Governing Authority at which the Bond Documents are adopted, including (as applicable) preparation of notices;

Prepare the application for approval of the issuance of the Bonds by the State Bond Commission and attend the State Bond Commission meeting at which such approval will be considered;

Prepare the closing index and various closing certificates, including the Tax Compliance Certificate, and supervise the execution of certain closing documents by the various parties thereto;

Prepare and file Internal Revenue Service Form 8038-G, as required by Federal law;

Prepare the Bonds and supervise their execution and authentication,

Prepare complete transcripts of record covering the issuance of the Bonds and furnishing the transcripts to various parties in connection therewith; and

Submit post-closing reports to the State Bond Commission, if required.

Our fee as bond counsel is based upon the terms, structure, size and schedule of the financing, the services provided, and the responsibilities assumed; however, our fee will not exceed that permitted by guidelines set forth by the Attorney General of the State of Louisiana and is subject to his approval. Our fee as bond counsel is a "contingent fee," meaning you are required to pay for our legal services only in the event the Bonds are actually sold and delivered. Other vendors or members of the working group may charge additional fees or costs for their services.

We will continue to serve as bond counsel until the delivery of the Bonds; however, the Issuer and our firm each have the right to terminate this engagement at any time after providing reasonable advanced written notice, subject to the applicable rules of professional responsibility. Upon conclusion or termination of our representation of the Issuer, papers and property furnished by the Issuer will be returned promptly upon request.

Please note that we are not municipal advisors, and we do not render financial advice or other financial services to the Issuer; however, in the course of providing traditional legal services, we may provide factual information that is not specifically tailored to the Bonds or that does not rise to the level of a recommendation concerning a course of action. We will, however, analyze, discuss and advise the Issuer regarding the legal ramifications of the structure, timing, terms and other provisions of the Bonds, as these functions are essential to

developing a plan of finance.

Applicable ethical rules in Louisiana prohibit us from undertaking this representation if we represent another party that is directly adverse to the Issuer or if there is a significant risk that other considerations will materially limit our representation of the Issuer. As you are aware, our firm represents many political subdivisions, including others in St. Mary Parish. At this time, we do not believe any other current or past engagement of our firm adversely affects our ability to represent the Issuer as provided in this letter; however, we invite you to discuss any concerns you have with us.

In the interest of facilitating our services to you, we may send documents, information or data electronically or via the Internet or store electronic documents or data via computer software applications hosted remotely or utilize cloud-based storage. Your confidential electronic documents or data may be transmitted or stored using these methods. We may use third party service providers to store or transmit these documents or data. In using these electronic communication and storage methods, our firm employs reasonable efforts to keep such communications, documents and data secure in accordance with our obligations under applicable laws, regulations, and professional standards; however, you recognize and accept that we have no control over the unauthorized interception or breach of any communications, documents or data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by us or by our third party vendors. By your acceptance of this letter, the Issuer consents to our use of these electronic devices and applications and submission of confidential client information to or through third party service providers during this engagement.

If this letter is acceptable to the Issuer, please so indicate by executing where indicated below and returning a copy to us, retaining the original for your files. We appreciate the opportunity to serve the Issuer and look forward to working with you.

Mr. Richard Billings questioned what the motion actually meant, to which Mr. Brennan Black, Foley & Judell, Bond Counsel, stated this was just making application to the State Bond Commission for approval of the issuance of \$400,000.00 in bonds. It does not obligate the Jury to anything.

Discussion ensued.

Mr. Billings questioned Mr. Bruce Kelly what it is going to be used for, to which Mr. Kelly stated renovations for the building across the street, the Lawyers Building.

Mr. Black stated you can decide to issue a lower number of bonds, that's up to the Jury.

THUS DONE AND ADOPTED on this 9th day of July 2018. Richard Vanderlick voted nay.

On motion by Mr. Joe Bishop, seconded by Mr. Ollie Overton, to amend Article XI – Abandoned/Adjudicated Property, Section 2-181 and 182. On vote the motion carried.

#### RESOLUTION

Authorizing the President, on behalf of the Rapides Parish Police Jury, to enter into and execute a Professional Services Agreement with Archon Information System, L.L.C., d/b/a CivicSource for the administration of an online auction and sale of parcels adjudicated to the Parish on the adjudicated properties program.

WHEREAS, each year tax title to immovable properties are adjudicated to the Rapides Parish Police Jury for the non-payment of ad valorem property taxes, and

WHEREAS, these adjudicated properties remain on the adjudicated property tax roll until such time as these properties are redeemed by the full payment to the Rapides Parish Police Jury of all taxes due and full payment to the Rapides Parish Police Jury of any applicable recorded liens assessed to the property by the Rapides Parish Assessor's Office, or are sold or transferred as indicated hereinafter, and

WHEREAS, the Rapides Parish Police Jury does not have adequate resources to market and satisfy the legal requirements to handle the sale of its inventory of adjudicated properties, and

WHEREAS, the Rapides Parish Police Jury cannot offer any assurances of clear title or availability of title insurance to prospective purchasers of its adjudicated property through its current process, and

WHEREAS, many of these adjudicated properties are abandoned and contribute to blight, and

WHEREAS, the goal of the Rapides Parish Police Jury in the sale of adjudicated property is to encourage the redemption of these properties or return them to commerce, productive use and to the active tax rolls, to stimulate

economic development, and to increase property tax and other tax revenue, and

WHEREAS, the Rapides Parish Police Jury is of the opinion that an online sale and auction of adjudicated property, with the promise of title insurance, will increase the redemptions of adjudicated property and increase the number of sales of adjudicated property in Rapides Parish, thus fostering the goals of returning these properties to commerce and productive use and will provide the buyers of these properties a chance to have title insurance to protect and encourage development of their investment.

NOW, THEREFORE, BE IT RESOLVED by the Rapides Parish Police Jury that:

Section 1. President, is hereby authorized on behalf of the Rapides Parish Police Jury to enter into and execute a Professional Services Agreement with Archon Information Systems, L.L.C., d/b/a CivicSource for the establishment and administration of a market-driven process to sell eligible adjudicated properties of the Rapides Parish Police Jury by online public auction and/or through an adjoining landowner program and for execution and oversight of all legal due diligence efforts necessary for compliance with applicable Federal, State and local laws and to ensure title insurance shall be available to the purchasers of such properties.
