PASSED AND ADOPTED at Alexandria, Louisiana, on this the 12th day of December, 2016.

The next item on the agenda was to discuss the 9<sup>th</sup> Judicial District Court, Courthouse and Rapides Parish Detention Center report that was performed by Barron, Heinberg & Brocato in 2009 and also recognize Mr. Joey Bollinger with the Chamber of Commerce Public Safety Committee.

Mr. Joey Bollinger was not present.

Mr. Sean McGlothlin stated the Chamber of Commerce appointed him to the Public Safety Committee. Judge Yeager has a copy of the study and he also furnished a copy to the Chamber. He further stated that in 2017, it will be discussed at the Chamber of Commerce on how crime is affecting them and the level of business that is coming into Rapides Parish.

The President recognized Mr. Joe Brocato and Mr. Marion Cheney from Barron, Heinberg & Brocato, which had conducted the study the first time it was brought up in 2009.

Mr. Joe Bishop stated that the problem seven years ago is the same as today.

REGULAR MEETING  
DECEMBER 12, 2016

Funding. The public is upset with the crime on the street. The Police Jury is responsible for a holding facility. We need to generate some funds for Rapides Parish to build a new facility to house the criminals that are committing the crimes. It comes to a point that if someone is arrested for murder and you have inmates that are housed for shoplifting or something, you have to bond them out to make room for the stronger crimes committed in our Parish. It is a problem. Maybe the District Attorney's Office, the Sheriff's Office and the Police Jury could come together next year to look for some type of funding to increase the capacity of our jail.

Mr. Sean McGlothlin stated the Chamber of Commerce would like to be a participant in the discussion, because it does affect new and existing businesses.

Mr. Bishop stated we want to work with every civic organization. Everybody is going to have to step up to the plate. Municipalities are warehousing their prisoners here. We are going to have to work together.

Mr. Phillip Terrell, District Attorney, stated Sheriff Hilton, Mr. Bishop, Mr. Smith and himself had a discussion of various options and combinations of different things we could do to get funds for the jail space. Certainly it is an issue when somebody has been arrested thirty-five times and they get out because there is not enough jail space. Mr. Terrell stated his office was available for any discussions to help with this problem.

Mr. Richard Billings stated the Police Jury could build the building, but the Sheriff is going to have to step up to the plate, cause that is going to take a lot of funds just to man the building. Everybody has to be involved in this so called scenario.

Discussion ensued.

On motion by Mr. Bubba Moreau, seconded by Mr. Richard Billings, to accept the Right-of-way dedication from the Rapides Parish School Board for the Laura Lane Extension Project (District A). On vote the motion carried.
