³These partners are linked virtually through online service access to a program staff member via American Job Center resource rooms and through cross-trained front desk staff and other, physically co-located, partners staff that can provide information and referrals. An individual may also file a UI claim in person using one of the computers available in the American Job Center.

⁴ HUD in Rapides Parish does not engage in employment and training activities for program participants; therefore, HUD is not considered a required partner.

⁵ Native American Programs, as required one-stop partners, are strongly encouraged to contribute to infrastructure costs, but they are not required to make such contributions under WIOA.

⁶ This program is for migrant and seasonal farmworks (MSFWs).
