The installments of principal of the Bonds, as they fall due, and interest on the Bonds shall be payable by check of the appropriate Paying Agent or the Issuer mailed to the Owner (determined as of the close of business on the Record Date) at the address shown on the appropriate Bond Register or, in the discretion of the Paying Agent, by wire from the Paying Agent or the Issuer delivered to the Owner

(determined as of the close of business on the Record Date) in accordance with wiring instructions provided by the Owner, provided, however, that principal of the Bonds at final maturity or upon earlier prepayment in full shall be payable at the designated office of the Paying Agent upon presentation and surrender thereof. Each Bond delivered under this Resolution upon transfer of, in exchange for or in lieu of any other Bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond, and each such Bond shall bear interest (as herein set forth) so neither gain nor loss in interest shall result from such transfer, exchange or substitution.

No Bond shall be entitled to any right or benefit under this Resolution, or be valid or obligatory for any purpose, unless there appears on such Bond a certificate of registration, substantially in the form provided in this Resolution, executed by the Paying Agent by manual signature.

SECTION 3. **Prepayment Provisions.** Installments of principal of the Bonds are callable for prepayment at the option of the Issuer in full or in part at any time on or after March 1, 2031, at the principal amount to be prepaid, plus accrued interest on the amount to be prepaid from the most recent Interest Payment Date to which interest has been paid or duly provided for. The Issuer may designate the principal installments to be prepaid in the event of prepayment of less than all of the Outstanding principal of the Bonds. Any Bond which is to be prepaid only in part shall be surrendered at the designated office of the Paying Agent and such prepayment shall be noted on the prepayment schedule attached thereto.

Official notice of such call of any portion of the Bonds for prepayment shall be given by means of first-class mail, postage prepaid, by notice deposited in the United States mails or via acceptable means of electronic communication not less than fifteen (15) days prior to the redemption date, addressed to the Owner of such Bond to be prepaid at their address as shown on the Bond Register.

SECTION 4. **Registration and Transfer.** The Issuer shall cause a Bond Register to be kept by each Paying Agent. The Bonds may be transferred, registered and assigned only on the appropriate Bond Register, and such registration shall be at the expense of the Issuer. A Bond may be assigned by the execution of an assignment form on the Bond. A new Bond will be delivered by the appropriate Paying Agent to the last assignee (the new Owner) in exchange for such transferred and assigned Bond after receipt of the Bond to be transferred in proper form. Such new Bond shall be in proper denomination. The Paying Agent shall not be required to issue, register, transfer or exchange any Bond during a

period beginning (i) at the opening of business on a Record Date and ending at the close of business on the Interest Payment Date or (ii) with respect to Bonds to be prepaid, at the opening of business fifteen (15) days before the date of the mailing of a notice of prepayment of such Bonds and ending on the date of such prepayment.

SECTION 5. **Form of Bonds.** The Bonds and the endorsements to appear thereon shall be in the form acceptable to the Executive Officers, upon advice of bond counsel, and the Purchasers.

SECTION 6. **Execution of Bonds.** The Bonds shall be signed by the Executive Officers for, on behalf of, in the name of and under the corporate seal of the Issuer, which signatures and corporate seal may be either manual or facsimile.

SECTION 7. **Pledge and Dedication of Revenues.** The Bonds shall be secured by and payable solely from an irrevocable pledge and dedication of the proceeds of the Tax. This Governing Authority does hereby obligate itself and its successors in office to impose and collect the Tax in each year, and does hereby irrevocably and irrepealably dedicate, appropriate and pledge the annual income to be derived from the assessment, levy and collection of the Tax in each year to the payment of the Bonds, so long as the Bonds are Outstanding. The Issuer further covenants that it shall not lower the Tax rate to result in lower Tax revenues than were collected in the year prior to the proposed adjustment.

SECTION 8. **Additional Parity Bonds.** The Issuer shall issue no other Bonds or obligations of any kind or nature payable from or enjoying a lien on the proceeds of the Tax having priority over or parity with the Bonds, except that Additional Parity Bonds may hereafter be issued on a parity with the Bonds under the following conditions:

(a) The Bonds herein authorized, or any part thereof, including the interest thereon, may be refunded and the refunding Bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not refunded, if there be any, and the refunding Bonds shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Bonds refunded; provided, however, that if only a portion of the Bonds Outstanding is so refunded and the refunding Bonds require total principal and interest payments during any year in excess of the principal and interest which would have been required in such year to pay the Bonds refunded thereby, then such Bonds may not be refunded without the consent of the Owner of the unrefunded portion of the Bonds issued hereunder

(provided such consent shall not be required if such refunding Bonds meet the requirements set forth in clause (b) of this Section).

(b) Additional Parity Bonds may be issued on and enjoy a full and complete parity with the Bonds with respect to the Tax, provided that the highest amount of the combined principal and interest requirements for any future year on the Bonds and the said Additional Parity Bonds does not exceed 75% of the revenues estimated to be realized by the Issuer from the levy of the Tax in the year in which such Additional Parity Bonds are issued.

As a condition to the issuance of Additional Parity Bonds pursuant to this Section 8, the Issuer must be in full compliance with all covenants and undertakings in connection with the Bonds and there must be no delinquencies in payments required to be made in connection therewith.

(c) Junior and subordinate bonds may be issued without restriction.

SECTION 9. **Sinking Fund.** (a) There is hereby created a special fund known as "Fire Protection District No. 7 of the Parish of Rapides, State of Louisiana, Limited Tax Bonds, Series 2026 Sinking Fund" (the "Sinking Fund") said Sinking Fund to be maintained with the regularly designated fiscal agent bank of the Issuer. The Issuer shall deposit in the Sinking Fund from the first revenues of the Tax received in any calendar year, a sum equal to the principal and/or interest falling due on the Bonds in that calendar year. The depository for the Sinking Fund shall transfer from the Sinking Fund to the Paying Agent at least two (2) days in advance of each payment date funds fully sufficient to pay promptly the principal and interest falling due on such date.

(b) It shall be specifically understood and agreed, however, and this provision shall be a part of this contract, that after the funds have actually been set aside out of the revenues of the Tax for any year sufficient to pay the principal and interest on the Bonds for that year, and all required amounts have been deposited in the aforesaid Sinking Fund established for the Bonds, then any annual revenues of the Tax remaining in that year shall be free for expenditure by the Issuer for the purposes for which the Tax is authorized.

(c) All moneys deposited with the regularly designated fiscal agent bank or banks of the Issuer or the Paying Agent under the terms of this Resolution shall constitute sacred funds for the benefit of the Owners of the Bonds and shall be

secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

(d) All or any part of the moneys in the Sinking Fund shall, at the written request of the Issuer, be invested in accordance with the provisions of the laws of the State of Louisiana.

SECTION 10. **Budget; Annual Financial Statements.** As long as any of the Bonds are Outstanding, the Issuer shall prepare and adopt a budget prior to the beginning of each Fiscal Year and shall furnish a copy of such budget to any Owner upon request. While any portion of the Bonds is Outstanding, the Issuer shall make available to any Owner, upon request, its annual audited financial statements no later than 180 days after the end of the applicable Fiscal Year of the Issuer.

SECTION 11. **Application of Proceeds.** The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Resolution, to cause the necessary Bonds to be printed, to issue, execute and seal the Bonds, and to effect delivery thereof as hereinafter provided. The proceeds derived from the sale of the Bonds shall be deposited by the Issuer with its fiscal agent bank or banks in a special fund entitled "*Fire Protection District No. 7 Limited Tax Bonds, Series 2026 - Construction Fund*" to be used only for the purpose for which the Bonds are issued, including paying any and all costs of issuance incurred in connection with the issuance of the Bonds.

SECTION 12. **Bonds Legal Obligations.** The Bonds shall constitute valid and binding obligations of the Issuer and shall be the only representations of the indebtedness as herein authorized and created.

SECTION 13. **Resolution a Contract.** The provisions of this Resolution shall constitute a contract between the Issuer and the Owner or Owners from time to time of the Bonds, and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Bonds.

No material modification or amendment of this Resolution, or of any resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the

Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity provisions of the Bonds or the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the revenues appropriated, pledged and dedicated to the payment thereof by this Resolution, or reduce the percentage of the Owners required to consent to any material modification or amendment of this Resolution, without the consent of the Owners of all of the Outstanding Bonds.

SECTION 14. **Severability; Application of Subsequently Enacted Laws.** In case any one or more of the provisions of this Resolution or of the Bonds shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Resolution or of the Bonds, but this Resolution and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provisions enacted after the date of this Resolution which validate or make legal any provision of this Resolution and/or the Bonds which would not otherwise be valid or legal, shall be deemed to apply to this Resolution and to the Bonds.

SECTION 15. **Recital of Regularity.** This Governing Authority having investigated the regularity of the proceedings had in connection with the Bonds and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of Louisiana."

SECTION 16. **Effect of Registration.** The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 17. **Notices to Owners.** Wherever this Resolution provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and delivered via accepted means of electronic communication or mailed, first-class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond

Register. In any case where notice to Owners of Bonds is given by mail, neither the failure to mail such notice to any particular Owner of Bonds, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 18. **Cancellation of Bonds.** All Bonds surrendered for payment, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already canceled, shall be promptly canceled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Paying Agent. All canceled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 19. **Bonds Mutilated, Destroyed, Stolen or Lost.** If (1) any mutilated Bond is surrendered to the Paying Agent, or the Issuer and the Paying Agent receive evidence to their satisfaction of the destruction, loss or theft of any Bond, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute, and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon the issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Bond shall be at any time enforceable by

anyone and shall be entitled to all the benefits of this Resolution. Any additional procedures set forth in the Agreement authorized in this Resolution, shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 20. **Discharge of Resolution; Defeasance.** If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owners of all of the Outstanding Bonds, the principal of and interest on the Bonds, at the times and in the manner stipulated in this Resolution, then the pledge of the money, securities, and funds pledged under this Resolution and all covenants, agreements, and other obligations of the Issuer to the Owners shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Resolution to the Issuer.

Bonds or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section if they are defeased in the manner provided by Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended.

SECTION 21. **Successor Paying Agent; Paying Agent Agreement, if required.** The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent in this Resolution is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a resolution or Resolution giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Any successor Paying Agent appointed hereunder shall at all times be a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. If required, the Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 22. **Disclosure Under SEC Rule 15c2-12.** The Issuer will not be required to comply with the continuing disclosure requirements described in Rule 15c2-12 of the Securities and Exchange Commission [17 CFR 240.15c2-12].

SECTION 23. **Arbitrage.** The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Code in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds".

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section.

SECTION 24. **Designation as "Qualified Tax-Exempt Obligation".** The Bonds are designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code. In making this designation, the Issuer finds and determines that:

(a) the Bonds are not "private activity bonds" within the meaning of the Code; and

(b) the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Issuer and all subordinate entities in calendar year 2026 does not exceed \$10,000,000.

SECTION 25. **Award of Bonds.** The Issuer hereby accepts the offers of the Purchasers, which offers are attached as **Exhibit A-1** and **A-2** hereto, and any Executive Officer is hereby authorized to execute said offers on behalf of the Issuer. As a condition to the delivery of the Bonds to the Purchasers, the Purchasers will execute a standard letter, acceptable to them and the Issuer, indicating they have

conducted their own analysis with respect to the Bonds and are extending credit in the form of the Bonds as a vehicle for making a commercial loan to the Issuer.

SECTION 26. **Publication.** A copy of this Resolution shall be published immediately after its adoption in one issue of the official journal of the Issuer. It shall not be necessary to publish the exhibits to this Resolution but such exhibits shall be made available for public inspection at the offices of the Governing Authority at reasonable times and such fact must be stated in the publication within the official journal.

SECTION 27. **Post-Issuance Compliance.** The Executive Officers and/or their designees are directed to establish, continue, and/or amend, as applicable, written procedures to assist the Issuer in complying with various State and Federal statutes, rules and regulations applicable to the Bond and are further authorized to take any and all actions as may be required by said written procedures to ensure continued compliance with such statutes, rules and regulations throughout the term of the Bonds.

SECTION 28. **Headings.** The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

SECTION 29. **Effective Date.** This Resolution shall become effective immediately.
